1. Paragraph 280701, revise to read:

“280701. The amount to be collected each month in order to recoup an indebtedness from a member’s retired pay should be reasonable to the size of the debt and the member’s ability to pay as supported by financial information provided by the member. Current DoD policy for retired pay collections requires at least 25 percent of gross pay, not to exceed amounts in paragraph 280702.”
